Dear Parents:

Village Pines School is pleased to open enrollment for the **57th** year of operation! Of course, priority is given to our established families, but we also honor first received registration fees for the **2017-2018** school year.

Below please find the **2017-2018** enrollment form for student registrations. **The enrollment form must accompany your registration. Registration Fees are non-refundable.** Families with multiple students will of course receive the “family tuition discount” as per fee schedule during the school year. Tuition schedule for the **2017-2018** school year will follow shortly. There has not been an increase since 2015, although all of our operating expenses have increased.

The registration fee for the **2017-2018** school year will be \$ **300.00 per student**. **After April 1st, the registration fee will increase to \$ 450.00 per student.** It is advantageous to you financially and **CRUCIAL** for VPS to have registrations for staffing, materials and planning purposes. **These deadlines dates are non-negotiable.**

You are our best ambassadors in the community and have the natural ability to network with your co workers and friends. ***If a new eligible family enrolls for the 2017-2018 school year as a result of your “ambassadorship efforts”, VPS will offer you a 50 % tuition credit for your student during the month of November 2017. Additional ambassador incentives will be honored.***

As you are all aware we are proud of our caring staff, all of our technology to facilitate learning and our goal to differentiate instruction to meet student needs. We will continue to meet all learning standards and expectations. Our goals of providing the best academic, social and emotional environment for each student continue to guide our everyday programs.

We strive for excellence and pride ourselves in continuing our school, family, and community relationships.

Cordially,

Margery K Amerling
