

# Summer Camp is Here!

April 5, 2021

Dear VPS Families:

Thanks to a positive response to our summer camp inquiry, we are pleased to announce that enrollment for summer camp is now open. Due to hurricanes, damage repair, and of course the Covid pandemic we have not had summer camp since 2016.

**BASED ON YOUR ENROLLMENT FORMS and REGISTRATION, VPS will be able to determine whether camp is a real possibility and finalize staffing.**

We are excited and looking forward to making the 2021 Summer Camp a fun and memorable experience for all our children.

The VPS Summer Camp will have 3 different sessions all with fun, different themes. Session 1 will be themed "Ocean . Session 2 will be themed "World Travelers" and session 3 will be themed "Our Environment". These themes will tie into various activities and crafts that we will be doing throughout and will make for a more enjoyable adventure. For camp to operate there must be adequate enrollment.

Our summer camp is planned for 9 weeks from June 14<sup>th</sup> to August 13<sup>th</sup>.

The Village Pines camp will be open from 8:30am to 4:00pm with extended care available for an extra charge.
