Dear Parents:

Village Pines School is pleased to open and continue enrollment for the **60th** year of operation!

Below please find the **2020-2021** enrollment form for student registrations. **The enrollment form must accompany your registration. Registration Fees are non-refundable.**

To BUILD our student population, we are in the midst of a marketing plan and welcome your support. We have a wonderful Pre-K initiative in place and exploring a continuation to Grade 6 as some of our current students have requested this option. We will strive to meet Covid 19 guidelines to maintain a healthy and safe school environment for all.

The registration fee for the 2020-2021 school year will be \$300.00 per student.

It is advantageous and CRUCIAL for VPS to have registrations for staffing, materials and planning purposes especially during this pandemic environment.

You are our best ambassadors in the community and have the natural ability to network with your co workers and friends. **Our small class goals should be a wonderful solution to families.**

As you are all aware we are proud of our caring staff, all of our technology to facilitate learning and our goal to differentiate instruction to meet student needs. We will continue to meet all learning standards and expectations on campus and if needed virtual.

Our goals of providing the best academic, social and emotional environment for each student continue to guide our everyday programs.

We strive for excellence and pride ourselves in continuing our school, family, and community relationships.

Cordially,

Margery Amerling
